

Drive Green Disclaimers

General

The Green Energy Consumers Alliance, Inc. is recognized as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. The Green Energy Consumers Alliance, Inc. has established the Drive Green program in order to further its tax-exempt purposes, including educating the public about green power technologies, promoting the development of green energy technologies, and marketing green power technologies.

Customer understands that this website is intended to educate customers about opportunities to purchase or lease electric vehicles, and to provide customers with a platform to facilitate transactions with electric vehicle sellers.

Customer understands that the information regarding these opportunities has been provided by the sellers, and that the Green Energy Consumers Alliance, Inc. cannot and does not warrant the accuracy or completeness of information provided to Green Energy Consumers Alliance, Inc. by the sellers.

Customer understands that each participating seller has agreed to offer participating customers pricing and transaction terms that are set forth on this website. Customer further understands that the final purchase price and transaction terms are negotiated directly between customer and seller, and the Green Energy Consumers Alliance, Inc. plays no role in that negotiation or agreement.

Electric Vehicle Purchase/Lease

Green Energy Consumers Alliance, Inc. is not a party to the vehicle sales or lease transaction between the Customer and the seller of the electric vehicle.

Green Energy Consumers Alliance, Inc. is not liable or in any way responsible for any acts or omissions on the part of the seller or the manufacturer of the electric vehicle.

Green Energy Consumers Alliance, Inc. disclaims any and all representations, warranties, covenants or guarantees whatsoever, express or implied, in connection with the electric vehicle or the program itself, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.

Green Energy Consumers Alliance, Inc. has no responsibility for the availability of or Customer eligibility for rebates, tax credits, or other incentives. Application and processing of such rebates, tax credits, or other incentives is solely the responsibility of the Customer.

General disclaimer on purchase: Drive Green dealerships provide the pricing on the purchase of a new electric vehicle. If the customer chooses to add options or packages to their purchase, the final price will

increase. The price, however, will not be any smaller. Purchase prices do not include title/plate/registration fees or sales tax.

General disclaimer on lease: Drive Green dealerships provide the listed lease prices for the vehicles with the packages listed in the "Additional Benefits" column. If the customer chooses to add other packages or features, the lease price may increase. Lease prices exclude sales tax unless otherwise specified. Also, the customer's credit score may impact the final monthly lease price.

Federal tax credit: Whether you can take the full amount shown is also dependent upon your tax liability. For more information and to apply for the tax credit, visit <https://www.fueleconomy.gov/feg/taxevb.shtml>.
